Dear Ms. Ryan:

On behalf of the province of British Columbia, I would like to thank you for your leadership and the contributions made by Vancouver Community College over the past year. We recognize the efforts made in supporting the strategic actions identified in the 2015/16 Mandate Letter, which continue to be priorities this year.

In 2014, Government established a common set of principles for British Columbia public sector organizations. The intent of the Taxpayer Accountability Principles is to strengthen accountability and promote cost control. These principles instill a common frame of reference to inform decisions and ensure that the actions taken and services provided meet public policy objectives established by Government on behalf of British Columbians. All public sector organizations are expected to understand the responsibility they have to British Columbians and how it is complementary to the fiduciary duty to their organizations.
