To be accepted into a recognized BC HCA program, applicants are required to demonstrate proficiency in English. Students must be able to communicate effectively in English to be successful in their studies and capable of providing safe and competent care to patients/clients/residents in the work environment during practice education components.

To ensure consistency and quality assurance, institution-created tests are not acceptable for the assessment of HCA program applicants. For clarification, three years of full-time instruction in English is defined as three (3) years of full-time secondary and/or post-secondary education in the English language at a recognized institution<sup>5</sup> on the list of [Approved English Speaking Countries](#). English as a Second Language (ESL) courses will not be considered.

1. Applicants who provide evidence of three years of full-time instruction in English<sup>6</sup> must also provide proof of one of the following:
  - a) Completion of Grade 10 English<sup>7</sup> (or higher). A minimum of a C grade is acceptable.
  - b) Completion of college courses determined to be equivalent to Grade 10 English (or higher) by post-secondary institutions. A minimum of a C grade is acceptable.
